

## Feeds based on lifestyle and location

► **Product:** IMPACT Horse Feed

► **Description:** With 24 different products, Purina's new line of feeds is formulated to target not only a horse's lifestyle, but also the special requirements associated with his geographic region. With the Purina Feed Product Recommender,

found on the website, you enter your state of residence and receive a list of the specific products available in your area. The line includes feeds formulated for maintenance, working, breeding and performance horses as well as seniors—most in both pelleted and textured forms—and a hay

stretcher complete feed. Fiber sources and specific ingredients vary by region.

► **Price:** Visit your local Purina dealer for pricing in your area.

## Naturally clean leather

► **Product:** Handcrafted Saddle Soap

► **Description:** This handmade soap is formulated to clean and nourish leather products using natural ingredients. The soap contains essential oils and comes in three light fragrances named after the creator's own horses: Fox's Vanilla Lavender, Ben's Rosemary Mint and Buzz's Citrus Ginger. An unscented version is also available. A tack-cleaning sponge is included with each eight-ounce jar of soap. Also available is a hand-blended leather conditioning balm containing safflower oil, beeswax and cocoa butter.

► **Price:** \$14.95 for an eight-ounce jar of soap, \$18.95 for an eight-ounce jar of balm, \$31 for Cleaning and Conditioning pack of soap and balm

## Room for one

► **Product:** EquiSpirit One Horse Solemate Trailer

► **Description:** Sized like a two-horse trailer, the Solemate incorporates a stall for one horse, plus a dressing room and a separate storage compartment for hay, grain and tack. The bumper-pull trailer is 14 ½ feet long and six feet wide, with a 10-foot stall and enough

headroom for a 16.3-hand horse. The empty weight is 2,780 pounds. Loaded with one horse and saddle, the total weight will remain under 4,500 pounds. Standard features include an "Easy to Lift" ramp behind two full-height doors, extra running lights and a quick-release butt bar. A gooseneck version is also available, as is

an extra-large model that adds length and height for horses up to 17 hands. Options include a side-unload ramp and partial living quarters, including a dinette and counter space.

► **Price:** \$16,750 base price
